BREAKFAST MENU

GOOD MORNING

We hope you enjoy your breakfast with us this morning.

Please ask at Reception for assistance in planning your day in Jersey, daily events are advertised on the notice board and we are happy to help with advice on coastal walks, shopping, attractions and lots more. . .

If you'd prefer to take advantage of the hotel's surroundings, we serve a 2 course lunch for only £9.95 (12 noon to 2pm) or for something lighter we also offer a tasty bar snack menu available until 9pm.

You can always opt for the delicious Windmills afternoon tea served with fresh homemade scones or tea cakes and can be enjoyed on the terrace soaking up the view!

Don't forget to reserve your table for dinner.

Enjoy your day!

If you are checking out today we trust you have enjoyed your stay. Please don't forget to leave your key at Reception and be kind enough to complete the questionnaire left in your room, your feedback is very important to us.

Thank you

Steve and Jane Law
